

REMARKS/ARGUMENTS

The Examiner in the parent application set a Restriction Requirement under 35 U.S.C. § 121. Applicants elected claims 1-9 drawn to a cover of a motorized toothbrush. Now applicants are filing a Divisional application focused upon the previously non-elected claim 10. All claims in the Preliminary Amendment are now revised to specify a method.

Applicants look forward to a substantive Examination at the earliest convenience of the USPTO.

Respectfully submitted,
